

Bible Time Village Market
The Adventures of Daniel & Friends
Big Rock and Atlanta Full Gospel Church
June 18, 19 and 20, 2024

This year Vacation Bible School will be held at Big Rock from 9:30 to noon. VBS is for people of all ages. The theme this year is *The Adventures of Daniel & Friends*. The participants will learn about Daniel through stories, videos, songs, and plays. In the Bible Time Market Village, they will make crafts of the time and about the stories of Daniel and his friends.

Your child will be involved in worshipping through songs and bible verses. There will be snacks served each day and on the last day, June 20th, we would like to invite the whole family to a picnic at noon.

This is a free activity for all ages. The older children who sign up will be leaders for the games, and crafts, and help lead the worship sessions.

We hope and pray that as the participants enjoy the activities that their lives will be transformed and renewed by the power and love of the Holy Spirit.
